

Churches Together in Stourbridge is planning a Study Course on evenings in Lent 2025, at 7.30 pm each Thursday, on the theme of HOPE. Each session will be hosted and led by a different church in its own way and will be self-contained, so there is no need to attend the whole course, though we feel sure that a sense of fellowship will grow as the series progresses. We hope to see you with us.

PROGRAMME
